

We are pleased to offer you a CORPORATE MEMBERSHIP at the Country Club of Colorado. Your Corporate Membership entitles you to four Golf Memberships. Your corporate membership features year-round, unlimited access to the Club golf course. This beautiful golf course, designed by Pete Dye, is nestled at the base of magnificent Cheyenne Mountain.

The golf course is perfectly manicured and the undulating greens play lightning fast. Broad fairways also offer unparalleled beauty. The championship course is a par 71, measuring 7056 yards. The layout promises to challenge players of all abilities and offers two of the best finishing holes in golf. Curr Reservoir brings water into play on five of the back nine holes. Over 50 well-positioned bunkers provide a true test of shot making. All levels of golfers can share the golf experience at the Country Club of Colorado. Whether you are interested in game improvement or want to participate in the many club-sponsored events, we have a program just for you!

There are no greens fees for corporate membership. Corporate members always have access to the driving range, practice putting greens and chipping areas. The corporate member can expect to pay for cart rental, driving range, club storage and lessons.

Each Corporate Member will also enjoy access to the racquet sports, fitness center, tennis courts, swimming beach, sailing and fishing areas. Each designee will receive 20% resort wide discounts on special interest classes, social functions, entertainment and family programs. Of course, all Club members enjoy the terrific dining in the Pineview Grille overlooking the golf course.

At the Cheyenne Mountain Resort, Country Club members may enjoy a 20% discount in the Mountain View Dining Room and Will Rogers Lounge, catering and guest rooms for all designees. All Club members may take advantage of special accommodation benefits to our affiliated resort properties across the United States.
