

We are pleased to offer you a GOLF MEMBERSHIP at the Country Club of Colorado. Your golf membership features year-round, unlimited access to the Club golf course. This beautiful golf course, designed by Pete Dye, is nestled at the base of magnificent Cheyenne Mountain.

The golf course is perfectly manicured and the undulating greens play lightning fast. Broad fairways also offer unparalleled beauty. The championship course is a par 71, measuring 7056 yards. The layout promises to challenge players of all abilities and offers two of the best finishing holes in golf. Curr Reservoir brings water into play on five of the back nine holes. Over 50 well-positioned bunkers provide a true test of shot making. All levels of golfers can share the golf experience at the Country Club of Colorado. Whether you are interested in game improvement or want to participate in the many club-sponsored events, we have a program just for you!

There are no greens fees for golf members. Golf members always have access to the driving range, practice putting greens and chipping areas. The golf member can expect to pay for cart rental, driving range, club storage and lessons.

Golf members also enjoy access to the racquet sports, fitness center, tennis courts, swimming beach, sailing and fishing areas. Ongoing special interest classes, social functions, entertainment and family programs are always available to you and your family. Of course, all Club members enjoy the terrific dining in the Pineview Grille overlooking the golf course.

At the Cheyenne Mountain Resort, Country Club members may enjoy a 20% discount per event in the Mountain View Dining Room and Will Rogers Lounge, catering and guest rooms. All Club members may take advantage of special accommodation benefits to our affiliated resort properties across the United States.

The Golf Membership is issued to the member, and his/her spouse and family if applicable. Facility use fees may be charged to the member's account in each area that fees are required.
