Important News re: “AB Seniors Benefit”

To protect potentially vulnerable seniors from possible financial hardship, “Direct Deposit” is now the rule for ASB. However, seniors who have not submitted direct deposit information will continue to receive their ASB payment by cheque at this time—although they are strongly encouraged to provide their direct deposit information, as soon as possible. (More than 96% of seniors who receive ASB are now receiving their payments by direct deposit.)

Applying for Post-Secondary Studies: Much Easier Now!

At this time of year, when students are busy writing exams & thinking about their future, I often receive calls from constituents looking for information on how to apply to AB’s outstanding universities, colleges, & technical institutes. A new online system is making it easier. Today AB’s can pursue their post-secondary studies by using “ApplyAlberta”: a new web-based application & transcript transfer system which makes it simpler for students to apply to any number of AB’s publicly funded post-secondary institutions. No longer do students have to fill out the same information, over & over, in order to apply to a program of their choice. They simply create a password-protected profile with their personal & academic information which they can use every time they submit an application. The new system takes care of transferring a student’s AB high school or post-secondary transcripts through “ApplyAlberta”--at no cost! What used to take weeks, now takes a few minutes; & with the new system, it’s safe & secure. Visit **www.applyalberta.ca**
